

Sinclair Broadcasting's decision to force their stations to air the anti-Kerry documentary "Stolen Honor..." will set a serious precedent of what private ownership of media can do on public airwaves. This act subverts the letter and spirit of the law and eventually democracy itself.

You must enforce equal time for all parties on public airwaves. You have an obligation to take measures against partisan ownership of public media.

If you don't act, you run the risk of appearing to have fallen to corporations.

thank you.
